V3V SOLUTIONS

11th March 2019

Dear Devak Customer,

Today marks the completion of the merger between Devak Infomark Pvt. Ltd. and V3V Solutions Pvt. Ltd., and we are now moving forward as one company that aims to become a forefront player in Technology Industry.

Ensuring we provide you with innovative, high-quality products and services has always been a priority for both legacy companies, and this will not change. As a combined company, we will be a stronger partner to our customers. We are now even better-positioned to provide you with access to comprehensive and differentiated integrated solutions by combining Devak's best Product development in Designing and technologies services with V3V Solution's capabilities and extensive portfolio of advance AI and Blockchain Technology. We look forward to working alongside you in growing your business.

As we work to bring our two companies together, we expect it to be business as usual from our customers' perspective.

With the merger of V3V Solutions with Devak, for the ease of functionality all the operations and financials now will be handled by V**3V Solutions Pvt. Ltd.** As such, you can expect the same quality services and support that you have come to rely on and your point of contact will remain the same.

The relationship we build with our customers has been and remains at the center of everything we do. Thank you for your continued business and trust – we look forward to accelerating our mutual success!

If you have any questions, please do not hesitate to contact the under signed for any clarification.

Please note:
*All further correspondence from 1st April 2019 will be from **V3V Solutions Pvt. Ltd.***
